

SESSION 2025-26

CLASS - 5

It's summer time, school vacation
has begun , Its time to play and
have fun INDOORS. Time to spend
with kith and kin

Happy Holidays

Dear Student,

- Summer Vacation is the best and the most fruitful time for learning and nurturing creativity. Keeping this objective in mind we have planned diverse and exciting activities that will enhance your knowledge and boost your creativity.
- “Knowledge is Power”. Therefore read lots and lots of books to cultivate the reading habit and develop your vocabulary, language skills, increase your attention span and improve your spellings.
- “A healthy mind lives in a healthy body”. So play the sport of your choice INDOORS. It will help to instill discipline, generate sporting spirits and channelize your energies constructively.
- Get up early in the morning and see the rising sun. Do indoor exercises / yoga and stay healthy and fit. Spend quality time with your elders and share your thoughts and ideas with them.
- Eat healthy food and drink lots of water during summer.
- Integrating curriculum helps students deepen their understanding of the subject matter and comprehend relationship between different areas of study. This year's holiday homework has been designed keeping this interdisciplinary aspect in mind.

Dear Parents,

Vacation is a welcome break!

Summer vacation are synonymous with fun, frolic ,getting up late, playing for longer hours and watching fun filled shows on television .

There is a lot more we can do to make these vacations more interesting.

Guidelines to make the summer break more fruitful

- Play games like scrabble, chess, atlas and word building.
- Assign a permanent workplace and a work-time for your child. This encourages discipline.
- Inculcate good manners- 4 magic words 'please, thank you, excuse me, sorry'-use them and see the difference.
- Encourage your child to help around the house work and do small household jobs like dusting, watering the plants, laying dinner table etc.
- Guide the child to keep his room and things clean and well organized.
- Motivate your child to take up yoga or any other form of healthy activity.
- As much as possible, try to converse in English with your child.
- Encourage your child to read books (e books) and children's magazines.
- Integrating curriculum helps students deepen their understanding of the subject matter and comprehend relationship between different areas of study. This year's holiday homework has been designed keeping this interdisciplinary aspect in mind. Being responsible citizens, it becomes our duty to create awareness about environmental issues. The theme is **"THE UNIVERSE -BEYOND PLANETS AND GALAXIES"**.
- Parents are requested to just guide the children to complete the task on their own.

Regards,

Class teacher
